T12 Automatic Floor Scrubber:

The T12 ride-on floor scrubber has the power of a heavy duty floor scrubber with the compact maneuverability of a mid-sized unit. Manual sweeping is eliminated with the cylindrical scrub deck model. Available Ec-H2O™ technology can reduce cleaning costs & improve health and safety. Wide range of optional accessories available, including: spray hoses, heavy duty front bumper, & vac wand. Equal pressure, parabolic squeegee provides excellent water recovery & can be easily replaced without tools. Easy to use intuitive control panel & 1-Step™ Button reduce operator training & guarantees consistent cleaning performance. Enhanced ergonomic design & large operator compartment reduces fatigue and increases operator safety.
